Dr Sarah Blaikley is now fully qualified but sadly has moved to a new surgery however she will be covering a few sessions as a locum for a short period of time.

Dr L Stockton is leaving us in April and a new F2 , Dr Victoria Evans will be joining us until August.

Carers Network

The carers network offers support and services for young people and adults who are carers. There is a board in the waiting room at both St Michael's and the Beehive Surgeries with information about accessing everything from support to activities aimed at carers.
